8303 N Mopac Expy, Austin, TX 78759 – Building C, 1st Floor

About: UFCU is partnering with Austin Community College, St. Edward's University, Texas State University, and University of Texas at Austin to host an invite-only hackathon event open to a limited number of students across each institution. The goal of the hackathon is for students to explore and better understand their own financial needs and behaviors, and to propose improved onboarding screen designs and user experiences for UFCU's mobile application.

Teams: Each university has space reserved for three teams comprising of three students per team, for a total of nine spots available for each institution.

Prizes: Teams will be competing for a chance to win cash prizes.

1st Place Team: \$2,000

2nd Place Team: \$1,000

All Other Participants: \$50

Prompt: **Rethink the New UFCU Member Experience**

We're inviting student teams to participate in a hackathon focused on improving the experience for new Members joining a financial institution. The challenge encourages creative solutions that make onboarding simple, secure, and welcoming.

Participants will develop a prototype and brief explanation, showcasing their ideas for a better, more accessible Member journey. No prior banking or identity systems knowledge is required – innovation and user-centric thinking are key.
